# EXPLANATION OF SELECTED PROCEDURES

## REGISTRATION MATERIALS

Registration materials will be mailed to all students who were enrolled in the University during the Spring Semester and/or the Summer Session, and to all new and former students who complete admission requirements by August 12, 1966.

IMPORTANT: PERMANENT ID CARDS will be issued to all students (full time and part time, day and evening) in the fall. Students must obtain ID Cards before they will be permitted to enter the Registration Center.

An appointment time for having ID Cards made is printed in the upper right corner of the Registration Appointment Card. Appointment times are based on a priority determined by cumulative hours earned. (Exceptions to this are Graduate students who will register as outlined in the graduate schedule). The place where you are to report to have ID Cards made will be specified in the registration instructions which will accompany your registration materials.

#### **ADVISERS**

At the time of registration each student at Memphis State University is assigned to a faculty member who will serve as his academic adviser. This adviser is a member of the department in which the student is majoring; for this reason it is necessary that every studen be prepared to name a major area at the time he registers. Such choices are not permanen or binding. The student may change his major area at any time during his college career with a minimum of administrative procedure.

- A. Current and former students will report to the faculty members who have advised them in the past. If any change in advisers is necessary or desired, application must be made to the chairman of the department concerned.
- B. Transfer students will apply to the office of the chairman of the department in which they plan to major for assignment to an adviser.
- C. Beginning freshmen will receive instructions about advisers during the orientation sessions.

PRE-PROFESSIONAL STUDENTS: In certain areas the University has established committees composed of faculty members from various schools and departments for the purpose of advising students interested in preparing for professional careers. Such students should report at their scheduled time to these committees in the rooms indicated:

PRE-MEDICAL ADVISORY COMMITTEE (Dr. Elmore Holmes, Chairman)

This committee will advise students interested in careers in medicine, dentistry pharmacy, nursing, medical technology, veterinary medicine, optometry, and related fields.

PRE-LAW ADVISORY COMMITTEE (Dr. Edwin C. Buell, Chairman)

PRE-SOCIAL WORK ADVISER: Mr. Charles Henderson, Assistant Professor o Sociology.

## CHANGE OF COURSE

After a student's registration is complete, he may, within specified time limits, change his class schedule through the process of adding and/or dropping courses. APPLICATION FOR PERMISSION TO ADD OR DROP COURSES BEGINS WITH THE FACULTY ADVISER.

No course may be added after Friday, September 23.

No course may be dropped after Monday, October 10.

Change in Section: It is sometimes necessary for a student to request a change of a course from one section to another section. Such changes will be allowed only under unusual circumstances. The procedures involve dropping one section and adding another; it must be done within the time limits noted above and MUST BE APPROVED BY THE CHAIRMAN OF THE DEPARTMENT CONCERNED.

## CHANGE OF COURSE FEE

A fee of \$3.00 will be assessed for each course which is added or dropped. The fee will be assessed on the number of course changes and not on the number of change-of-course applications. (For example, if a student initiates a single change-of-course application involving any combination of adds and drops for three different courses, the fee would be \$9.00).

If a student initiates a change-of-course application involving two different sections of the same course, the fee will be \$3.00. (For example, the fee charged for dropping Section 2 and adding Section 3 of History 1301 would be \$3.00). Payment of the fee will be made to the Office of the Business Manager at the time the approved change-of-course application is presented there. NO CHANGE-OF-COURSE IS PROCESSED UNTIL THE FEE HAS BEEN PAID.

## CHANGE OF SCHOOL

Students desiring to change the school in which they are enrolled may do so during

mited time period. NO CHANGE OF SCHOOL IS PERMITTED BEFORE THE END F THE DROP PERIOD. To change schools, students should go first to the office of the Dean of the School in which they are currently enrolled and obtain the application. Instructions for accomplishing the change of school are printed on the application.

#### VITHDRAWAL

A student may withdraw from the University by notifying Dean R. M. Robison in peron or in writing. Failure to notify Dean Robison of withdrawal will result in a grade of "F" each course in which the student is registered.

Students who withdraw before Monday, October 10, will have their records marked "BW" (withdrawn before end of drop period).

Students who withdraw after Monday, October 10, will have each of their courses recorded as "PW" (withdrawn passing) or "FW" (withdrawn failing) depending upon their performance in each course at the time of withdrawal.

The last day to withdraw is Wednesday, November 30, 1966.

## SELECTIVE SERVICE
